## **PROSPECTING RIGHTS RENEWAL**

ZCI is pleased to announce that it has its main operating asset, African Copper Plc ("ACU"), the AIM and Botswana listed copper producer and exploration company, announces that four prospecting licences held by its 100% owned subsidiary, Matsitama Minerals (Pty) Ltd ("Matsitama Minerals") have been extended for a further two years by the Minister for Minerals, Energy and Water Resources, Botswana. The four prospecting licenses, PL 14/2004, 15/2004, 16/2004 and 17/2004, total 1,988.6km<sup>2</sup> in extent and cover much of the highly prospective Matsitama Schist Belt in northeastern Botswana. Matsitama Minerals also holds title to two other prospecting licenses in the Matsitama Schist Belt, which collectively cover an area of 96.2km<sup>2</sup>.
